THIS IS OUR SPECIAL

Asbestos Week

Which we will devote to the showing of Asbestos Sad Irons. These are the only practical and economical irons made.

The finish is above the ordinary and the entire construction shows good sense of genius.

They retain the heat much longer, besides keeping an even temperature, than other makes.

We wish the public to call and look at this large display of different shapes, sizes and weights of Asbestos Sad Irons.

An iron that is designed for use on all kinds of clothes.

Our large window display will convince the possibilities guaranteed by the lady demonstrator.

Just talk the Asbestos Sad Iron question over with us.

C. F. Smith, the auctioneer at the John Riddle sale, Thursday, gave great satisfaction. Mr. Smith, by the way, is conceded to know his business from A to Z, and as a consequence, he is kept extremely busy. He is courteous, obliging and popular with the public, who know him to be honest and square. Therefore he is able to get good prices where a less experienced man and one less adapted to the work would fail. It is a saying that it pays to get the best and in no place does this apply more truly than with an auctioneer.—Williamstown Herald.

A. P. ABBOTT & CO.

Garment Department

Ladies' suits and coats are so entirely different from last season that most ladies will feel obliged to buy new. Sorry that you have to lay aside a neat, pretty, well-tailored garment for one that is new in style. It's our business to have these new things and have them right.

Ladies' suits, while made with rather narrow skirts, are also very pretty. Better cloth being used and better work in the making. They are sure to appeal to you as really with more style than of any previous season. Popular prices for best made suits run from \$15.00 to \$25.00. There will be lots here, priced ones sold and some cheaper, but the prices mentioned will give you a good, well-made suit, made of good grade suitings and well tailored.

Ladies' long coats are having a run. It's a season of long, neatly tailored coats. Sensible kinds.

New Waists for Easter in muslins, silk and Marquisette also new Silk Dresses and Petticoats.

SMITH & CUMINGS

Good Things to Eat.

Easter Next

Only two weeks ahead. Time to get the new things that you want to wear on that day. Last spring Easter was so early that not all of the new spring coats, waists and suits could be had. This season it is different. We now have in stock in all lines the best assortment that we will have this season. This means that now is your very best opportunity to select new ideas. From now on we will be getting out of some of our best kinds. Will have others to take their place but not that new assortment that we can show you for your Easter purchase.

Bordered Muslin

Another new lot of bordered muslins just added to our stock. The prevailing style of the summer dress, especially in the lighter weights, such as muslins, call for bordered effects, which are very pretty. They are new and carry a style about them that plain muslins do not have, for the reason that the borders make a trimming that is in perfect harmony with the body of the material used.

We have a special bordered muslin called Cortialk, that has very small dots with persian effects in the border and are mercerized finished, at only 15c per yard. These are equally as good as Linaire at 18c.

New lot of Domestic Foulard silks. These are the same pattern as Spot-proof Foulard, having a cotton warp and silk filling. Very pretty and serviceable at only 25c per yard.

New lot of yard-wide colored messaline, the Brainerd and Armstrong make, at \$1.35 per yard, also another grade, same make, same width, at \$1.00 per yard. Any dressmaker will tell you to buy yard-wide silk. It gets a better garment and at the same time saves from 10 to 20 per cent on cost of material.

Ask to see our yard-wide Black Taffeta for waists, dresses or silk petticoats, a \$1.25 value for \$1.00.

For Easter

Small things that you will want for Easter. Things that are everyday affairs, such as gloves, neckwear, hosiery and ribbons.

New lot of silk gloves in black and white, eight button length, at 50c.

New lot of silk gloves, 12 button length, in black and white, at 87c.

New lot of silk gloves in 12 button length, in black and white, new gold, gray, pounce, tan or navy, at \$1.00 per pair. This is our best value. Please notice the shades that we have.

Long kid gloves in black, white, tan and gray.

New lots of neckwear. Here you will find many styles as good as usually sold at 50c, here at 25c. In these are the new long jabots that are so popular in all large cities.

Fifty-cent neckwear is still finer than ever before and all points now to a big neckwear season.

New hosiery. Try a box of our Hole-proof hosiery, 6 pairs for \$2.00, warranted for one-half year.

New silk hose at 50c in black, that you will find to be a little better than most 30c silk hose, more silk in the yarn used.

We make a specialty of wide silk ribbons, selling a wide, heavy ribbon in all colors, at 19c and 25c per yard. While in New York picked up a good assortment of fancies in wide widths to sell for 25c, good 35c values.

Spring The fashions and the fads for Spring and Summer are now ready

Fashion says that this will be a great season for cheerful clothes—and we believe in fashion and so provided liberally. When you see the beautiful new color combinations in our Suits we're sure you'll be pleased with them. Lookers and buyers are showering us with many compliments. Oh, no! We haven't overlooked the man who will wear nothing but quiet effects! We have a stock of conservative patterns bigger and better than ever before—some surprises here, too—new weaves and entirely new models. Suits, \$7.50, 10, 12, 15 to 25. We want you to see our Shuman and Adler Suits, from \$18 to \$25. After you have seen them we will have nothing to say except this—"Match them if you can!" Our aim is to give you honest Clothes at right prices, and our constantly increasing business shows that our efforts are appreciated.
